Charlemagne Palestine – *STTT THOMASSS ‘’’’’’ DINGGGDONGGGDINGGGzzzzzzz ferrrr TONYYY‘’’’’’*  
Fantastic tribute to Tony Conrad by Palestine, recorded at the St Thomas Church, where they first met. Back then Palestine was doing daily carillon recitals, and even invited Conrad to try his hand at it. Now, on what would have been Conrad’s 77<sup>th</sup> birthday, Palestine returns to St Thomas to play and sing with abandon. Craziness in its most excellent state.
